

SAFETY 10

I address others and allow myself to be addressed

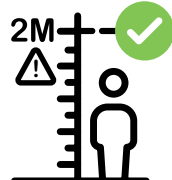

I keep escape routes, all paths and fire fighting equipment clear

I keep my distance and make eye contact

I wear a seatbelt and work safely

I secure materials stored above 2 metres

I always wear my personal protective equipment

I always wear high-visibility work wear

I keep my workplace clean and tidy

I only use my phone in a safe place

I only smoke in designated areas

**THINK FIRST
BEHAVE SAFE**
